PROFILE

Hello! I'm Cyrell T. Domingo, a passionate and innovative digital designer with a background in Information Technology. Currently, I am in my fourth year of pursuing a Bachelor of Science in Information Technology (BSIT) at PHINMA Araullo University. My journey in digital design is driven by a love for creativity, technology, and problem-solving.

Throughout my academic career, I have honed my skills in various aspects of digital design, including user interface (UI) and user experience (UX) design, graphic design, and web development. My technical expertise is complemented by a deep understanding of the latest design tools and technologies, such as Adobe Creative Suite, Sketch, Figma, and HTML/CSS.

WORK EXPERIENCE

- Provided digital design services to small businesses and individual clients, delivering customized graphic and web design solutions. Designed and
- developed responsive websites using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and performance. Created branding
- materials including logos, business cards, and social media graphics, enhancing clients' brand identity and online presence. Managed multiple
- projects simultaneously, meeting deadlines and exceeding client expectations through effective time management and communication.

TOOLS AND SOFTWARE

- Adobe Photoshop
- Figma
- HTML/CSS
- JavaScript
- Artificial Intelligence (AI) Tools
- Collaboration and Project Management Tools
